

## **FUNDING PROPOSAL INVITATION**

The Wildlife Records Club of BC ([www.wildliferecordsofbc.com](http://www.wildliferecordsofbc.com)) is looking for projects, organizations, or individuals requiring funds for activities that further the conservation goals and objectives of the Club.

A total of up to \$2,500 annually is available for:

- *habitat manipulation or enhancement projects that directly benefit big game populations in BC;*
- *collection or analysis of information that will benefit BC's big game populations;*
- *organizations with similar goals and objectives to the Club that require funds to achieve their purposes;*
- *students that require funds to achieve their goal of a career that protects and/or enhances big game populations in BC; or*
- *other activities considered worthy of funding by the Club's Directors.*

Please submit a brief (max. 3 page) funding proposal by February 15 which clearly describes:

- *the individual or organization that will be receiving the funds;*
- *an outline of the specific activities, and goals, of the project or organization that the requested funds will be used for;*
- *the total budget of the activity or project and other funds already either secured or applied for; and*
- *how the goals and objectives of the Wildlife Records Club will be furthered through the use of the requested funds.*

Please submit proposals by hard copy or email to the addresses noted below.

All proposals will be reviewed by the Executive of the Wildlife Records Club of BC and funding decisions will be announced by March 31 of each year.
